

Snehasish Dey

Full Stack Developer

I am currently in pre-final year of my graduation. I am a Full Stack Developer with proficiency in NextJs, TailwindCSS and Python. I am currently polishing my skills on ExpressJs and nodeJs and are looking forward to gather experience in the real world. I am great with communication, and work well in groups and are open to criticisms.

Python Development

YouTube Audio Video Downloader

<https://github.com/Pagla-Dasu/YouTube-Audio-Video-Downloader-Python>

Using the YouTube backend API, also known as youtube-dl. youtube-dl is a free and open source download manager for video and audio from YouTube and over 1,000 other video hosting websites. It is released under the Unlicensed software license.

It can download audio and video of the youtube video by the interactive youtube browser below the app.
